22 - 23 December, 2025

About the Convocation-cum- Scientific Convention

National Academy of Veterinary Sciences (India) XXIII Convocation cum National Scientific Convention on "*Strategic framework for transformation of India's Livestock, Poultry and Meat sector for Viksit Bharat @2047*", jointly organized by Bihar Animal Sciences University, Patna and Society for Promotion of Farm and Companion Animals (SPFCA) is scheduled to be held from 22nd to 23rd December, 2025 at Bihar Animal Sciences University, Patna-800014. The main emphasis is on sustainable animal health and production, which are crucial for ensuring food security, environmental conservation and economic stability along with exploring challenges and priorities in this area. Many factors play an important role in sustainable animal health and production, like disease management, antimicrobial resistance, nutrition, animal welfare, environmental impact, technology and innovation, smallholder integration, policy and governance etc. Entrepreneurs and Entrepreneurship in sustainable animal health and production have the potential to drive significant positive change in the industry. By addressing environmental impacts, improving animal health and welfare, adapting to market pressures and navigating regulatory challenges, they can create resilient and sustainable business models. Prioritizing innovation, ethical practices and consumer engagement will be key to success.

About the National Academy of Veterinary Sciences (India) NAVS (I)

The National Academy of Veterinary Sciences (India) is an apex premier agency for the development of Veterinary Sciences in India. It was established on lines similar to the National Academy of Medical Sciences by eminent visionary Veterinarian to promote and consolidate the scientific views on livestock sector in National economy through promotion of animal welfare. It has been registered by the Registrar of Societies, Delhi vide Registration Certificate No. S/24471 of 1993 dated 7th July, 1993 and has emerged as the largest think-tank of all branches of the profession for research & development departments of the country engaged in Animal Husbandry & Veterinary Sectors. The Academy was established to promote the interests of Veterinarians in the country and was launched with Dr. Chinta Mani Singh, a doyen of Veterinary Services in India, as its Founder President. The academy was formally inaugurated by Hon'ble Minister of State for Animal Husbandry and Dairying (Independent Charge) Government of India Dr. Raghuvansh Prasad Singh on 18th December, 1996 in Vigyan Bhawan, New Delhi and the Scrolls of Fellowship to the duly elected National Fellows/Members during 1994-95 were presented to them by the Hon'ble Minister at the Investiture ceremony.

NAVS (I) was established with the aim and objective of promoting knowledge of Veterinary Sciences, its practical application, and to secure coordination between veterinarians and other scientific academic societies, associations,

institutions and veterinary/animal husbandry scientific developments and services. The Academy has about 450 members, including Fellows, Institutional and Corporate Members and Elected Members. The association is successfully organizing its annual conferences/symposia and Convocations for awarding fellowships recognizing the lifetime achievement of its members. National Academy of Veterinary Sciences (India) XXIII Convocation cum National Scientific Convention on "*Strategic Framework for Transformation of India's Livestock, Poultry and Meat Sector for Viksit Bharat @2047*" is scheduled to be held from 22nd to 23rd December, 2025, at Bihar Animal Sciences University, Bihar Veterinary College Campus, Patna – 800014.

About the Host University- Bihar Animal Sciences University, Patna

Bihar Animal Sciences University, headquartered in Patna, was established under the Bihar Animal Sciences University Act No. 15 of 2016, notified in the Bihar Gazette on August 29, 2016, and became operational on June 13, 2017, with the appointment of its first Vice Chancellor. Carved out from the Bihar Agricultural University, BASU inherited two key constituent colleges: Bihar Veterinary College and Sanjay Gandhi Institute of Dairy Technology, while establishing two new colleges, namely the College of Fisheries and the College of Veterinary and Animal Sciences at Kishanganj. To bolster its research and outreach, the university also absorbed several specialized institutes and research stations. BASU excels in delivering specialized education across Veterinary Sciences, Animal Husbandry, Poultry, Fisheries, Dairy and allied disciplines, while advancing cutting-edge research and extension programs to empower rural Bihar's communities. Apart from UG, PG courses in various disciplines, the University has started 17 diploma courses from the current academic year to cater to the needs of society. The university innovates teaching methodologies, leads frontier research in animal sciences and promotes lifelong learning through the broad dissemination of institutional insights and discoveries. Through strategic partnerships with industries in animal technology and veterinary fields, BASU is developing a state-of-the-art Veterinary Clinical Complex for advanced treatment and research, in line with evolving objectives set by the university and government. Positioned as a vanguard in veterinary, dairy, and fishery sciences, BASU masterfully weaves cutting-edge paradigms into its framework to nurture top-tier talent, forge groundbreaking technologies, and fortify India's livestock and aquaculture ecosystems.

About Patna

Patna, the capital of Bihar and one of the world's oldest cities, lies along the Ganga River. Once known as Pataliputra, it remains a major center of culture, education, and governance, with key attractions like Bihar Museum, Golghar, and Takht Sri Patna Sahib. The city is well connected through Jay Prakash Narayan International Airport, major railway stations including Patna Junction, and extensive road networks. Local transport-taxis, app-based cabs, buses, and auto-rickshaws-ensures easy travel within the city. Patna experiences cool and pleasant weather in December, with temperatures ranging from 10°C to 20°C.

Awards to be Conferred by the NAVS (I)

- a). Fellowship, Associate Fellowship and Membership
- b). Dr. C. M. Singh Award for Excellence in Veterinary Sciences
- c). Dr. D. V. R. Prakash Rao Life Time Achievement Award-cum-Late Smt. Sundari Prakash Rao Memorial Endowment Lecture
- d). Dr. Vallabh Mandokhot Memorial Award for Outstanding Young Woman Veterinarian (Scientist)
- e). Dr. Vallabh Mandokhot Memorial Award for Outstanding Young Woman (Field) Veterinarian
- f). Dr. R. K. Sharma Memorial Award for Excellence in Veterinary Extension Education
- g). Dr. K. K. Baxi Outstanding Scientist Award for Excellence in Veterinary Sciences
- h). Young Scientist Award in Veterinary Sciences

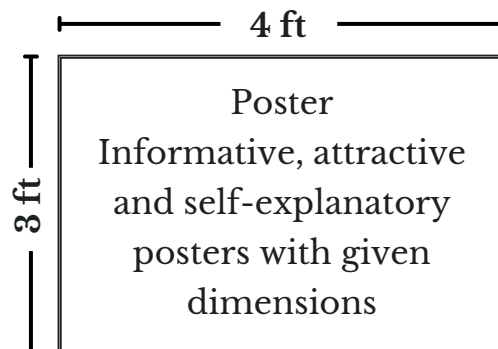

Visit the Academy Website <https://navsindia.org/> for the details of the above-mentioned Awards

Technical Sessions

1. Strategic Priorities for Enhancement of Livestock Productivity.
2. Strategic Framework to Boost Poultry Production.
3. Technological Transformation of India's Meat Industry.
